

The following badges can be claimed through Archery GB

Three/Six Gold End Award

Claimed at outdoor competitions for Seniors and Juniors who shoot six arrows, one after another, into the gold during one end with a barebow, recurve or compound at the archer's longest distance. The Three Gold badge is open to archers who shoot three arrows, one after another, into the gold during one end with a longbow. The Six Clout badge is for six arrows shot one after another, at one end into the Clout i.e. the 5 zone of an Archery GB Clout tournament. Claims may be made either at a record status tournament or club Target Day

If shot at a club target day, the club secretary must sign the claim form.

Rose Awards

Open to seniors and juniors when shooting at a UK Record Status York, Hereford, Bristol I-V tournament that also has Rose Award status. Claims are made at the record status tournament and the round shot must be relevant to age group

WA Stars

The WA silver star badge can only be gained at a World Record or WA Award Status event shooting a cadet round. The WA Silver Stars are for archers under 17 ('cadets') shooting a cadet round. Badges for recurve archers are shield shaped, while badges for compound archers are round.

WA Silver Star Awards

WA Silver Stars. Badges for recurve archers are shield shaped, while badges for compound archers are round.

WA Silver Star awards are for U17 (Cadet) or 50 or over (Masters) shooting the appropriate Cadet or Masters round and shows a silver Star with coloured silver writing. These awards can only be claimed at World Record status events.

WA Target Awards

WA Target awards are gained when shooting WA rounds i.e. 70m, 50m (compound round), WA900 and indoors 25m and 18m rounds. The awards can only be claimed at World Record Status shoots. They must be claimed at the end of the tournament on the appropriate form held by the Tournament Organiser.

WA Silver Target Awards

Are for recurve and compound archers shooting a cadet or Masters round (60 m). The badges are the same shape and colour as the WA Target awards but have silver coloured writing. Badges can only be claimed at World Record status events. Coloured badges available dependent on score shot. They must be claimed at the end of the tournament on the appropriate form held by the Tournament Organiser.

Archery GB Progression Awards

The Archery GB Progress Awards are designed to provide beginners and young archers with awards for developing their archery skills. The scheme can also be used as an adult beginner incentive. The award requires an archer to shoot 36 arrows at standard distances dependent on gender, age and bow style. Archers need to achieve a specific minimum score. The scheme is administered at club level.

WA Feather Awards

Designed for beginners under 12 years of age and some disabled new archers. Red and Gold feather awards are available based on 3 requirements – score, skills development and knowledge. The badge scheme is administered at club level.

WA Arrow Awards

WA Arrow awards again are aimed at beginners over the age of 12. awards are available based on 3 requirements – score, skills development and knowledge. The badge scheme is administered at club level.

Arrow Awards

For Juniors under 16 years of age and are red blue and black. The award can only be claimed once in each age group, they can be shot in the age group above but not below. Juniors submitting claims for awards higher than their age group can also claim the lower awards down to their age group, providing they have not claimed previously. Four rounds are required to be shot to make a claim in any calendar year, at least one must be a WA/Metric round and at least one must have been shot in an open tournament.

Awards available from The English Archery Federation

English Cross Awards

These can be claimed for scores at any Record Status (UK or WA) WA1440 shoot in England. Each badge can be claimed once on attaining the score equal to or higher than the score level shown below. The scheme is administered by the English Archery Federation (EAF) www.englisharcheryfederation.org. Badges can be claimed on the day if available or by post with the relevant payment and application form (available on the website).

Awards available from Northern Counties Archery Association

Tassel Awards

The tassel award scheme for Clout shooting is administered by Norther Counties Archery Society (NCAS) (www.ncas.co.uk/clout.html). Tassel awards are open to archers shooting double one-way and two way clouts at tournaments that have been given "Tassel Status" by NCAS. Claims must be made at the tournament.

Available from Flight Competitions
