

# The January Challenge 2019

This year once again, Archery GB is running a postal shoot for individual archers. You should simply submit your best score for a Portsmouth round that you have shot in January.

This is actually the sixteenth time the Challenge is being run. We started it in 2004 as something that every club member could take part in, and we have steadily increased the number of entrants from a start of around 200 – until, a couple of years ago, we suddenly leapt up to over 1,000. But there are still plenty of archers out there. Juniors can enter but will be counted alongside adults (often they do, and, of course, beat them); if provided, their age will be shown in the results. AFB should be included in “Recurve Barebows” but will be marked as AFB if we are told.

A small trophy will be awarded to each section winner.

**The Round** Portsmouth (Archers may use either full or 3-spot faces, but will be counted together)

**The dates** The round must be shot during the month of January 2019. Scores must be sent in to arrive no later than 5<sup>th</sup> February 2019.

**Eligibility** All Archers!

**Note** Only one score per bow type may be sent in per archer. “Golds” in this context are only tens!
