

Dear archer,

We would like to extend an invitation to all local club archers (and beyond) to join The Bowman of Walker for a full days shooting on our field at the Benfield Centre for Sporting Excellence.

It is a chance to shoot a full 144 arrow round from the Metric set, excluding the WA1440/Metric round itself. If you are fortunate enough to be good enough to shoot a WA1440 then you probably want to be shooting at Durham today!!

We are specifically aiming this event at the club archer who may not have even dipped their toe into the tournament scene yet but would like to have a go at shooting a full 144 arrow round in a tournament style setting in a friendly non-competitive environment.

The emphasis for the day will be on

- meeting and shooting with fellow archers from the area and maybe even beyond
- getting a PB for your chosen round (Hint: choose a round you haven't shot before)
- losing as few arrows as possible (metal detectors are available)

As if this wasn't enough to tempt you there is a rumour that Costco cupcakes will feature strongly during the day.

Looking forward to meeting you

The Bowman of Walker Members and Committee
