

FIELD ARCHERY WORKSHOP

Have you ever wanted to try field archery and didn't know how to?

Or ever wanted to know about field archery and didn't know who to ask?

Then we might have the answers

Riverside Archery Club is pleased to host on behalf of Durham & Northumberland Archery Assoc.

An introduction to Field Archery Workshop

Saturday 21st March 2020 doors open at 9:00 at
Thorp Academy, Ryton, NE40 3AH

The first part of the day will comprise of introductory talks on various field archery disciplines by Team GB members

Mark Robertson

(European and World Field championships 2017/18)

Allison Kelly

(World 3D championship 2019)

The subjects to be covered will be: bow types, target recognition, competition etiquette, distance judging, scoring etc plus help and advice on how and where to enter field shoots.

After a break for lunch, (light refreshments provided but please bring your own lunch.) there will be an opportunity to shoot at a range of field archery targets

Spaces will be limited so book early by email to
